**GROUP LIBRARY VISITATION RULES**

In order to make visits to the library a pleasurable experience for all our patrons, the following rules have been put in place for children visiting the library in groups:-

- Groups must call the library and book the date(s) and time(s) that they will be visiting the library.
- Groups must have a structured activity and must be supervised by an adult while in the library. Library visits will be one (1) hour per group.
- Groups (over 5 people) must have an adult that signs the children up for computer time of no more than one (1) hour. Computer use must be supervised.
- Only parents or legal guardians can register children for library membership. Replacement of a lost library card can only be done with written parent consent.
- Patrons must present their library card in order to check out books.
- Groups that do not comply with library policies may be asked to leave the premises when fair warning has been given.

Thank you for your cooperation!
